SEARCHING FOR THE BEST EVER 100 PHOTOS OF THE BUSSELTON JETTY

One of the most photographed structures in Australia is searching for the best ever 100 photos – above and below the Busselton Jetty.

Amateur and Professional photographers are welcome to submit up to five entries across five different themes – Earth, Fire, Water, Air and Space.

Jetty CEO Lisa Shreeve said the competition would see the top photos placed on display in the new Australian Underwater Discovery Centre, first gallery exhibition.

“They will also appear in a special commemorative edition Busselton Jetty Coffee Table Book.”

“It’s the perfect time during winter and for those in the Eastern States something to do in lockdown, to go through your photos and pull out your best ever shots.”

The competition closes in only 5 weeks, September 17, and participants can choose how their photo meets the theme definitions when submitting them on the Jetty’s website www.busseltonjetty.com.au

Winners will be announced at the Busselton Jetty AGM at Shelter on October 21.
